1. Our Steering Committee voted to petition the Presbytery of Yukon, through its Committee on National Missions, to organize. A representative of our Steering Committee will officially present this request to the Committee on National Missions, March 15th.
2. The Pastor of Immanuel Presbyterian Church was elected Vice-President of the Anchorage Council of Churches. Dr. R.A. Smithson, a dentist, was elected President. He is a member of All Saints Episcopal Church.
3. The Steering Committee voted to hold a Vacation Church School. Miss Mary Jane Hargrove, a member of the Steering Committee, will be the School's Director.
4. The Pastor was asked to dean the Senior High Summer Conference at Harding Lake-July 2-8.
5. The Christian Leadership School, held at AMU, ended Tuesday, February 7, 1961. 9 of our staff of 12 SCS teachers were in attendance. The Pastor taught the course "Administering the Church School."
6. Sunday February 12, 1961, our SCS had the largest attendance in its history-104. This illustrates the imperative need for a plant large enough to meet this growth.

Outside the activities of our Church many of our young people have continued their tape recordings of hymn singing and testimonies at various homes, to be sent to outlying communities and also to be played here locally through oscillators.

When ever I can each week I continued my calling and visitations among our people. On some of my calls this month I found some who really needed help and encouragement. Two families of our church because of many approaches and invitations from Assembly of God members, with criticism toward our chrch were in a dilemma to which church they now should attend or belong. After a lengthy conversation and prayer with these families, they thank me for coming over and said that they now have the courage to bear criticism, and try to be the real members of their own church.

Teacher training courses, series of eight lessons for all church school teachers have been completed this month.

The work as I see it is carried on as usual, and nothing new seems to be happening here. After the completion of the teacher training course in January, the teachers requested that they review these courses (eight lessons which were translated into eskimo on tape) these were reviewed along with the meetings of Geneva Fellowship (21-40) and Forty Niners(40-on up).

I try to make some calls every week but sometimes I feel I did not do enough, because I know and realize that personal contact or dealing with people is the best means of encouragement to them as well as to the person who makes the call. But I also believe that home work and maintenance are not to be neglected; in the light of this work on my part I pray that the Most High will guide me by His Spirit, so that now and in time to come that my work will be a balanced work.in His Church.

MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The year started out very slow. With the first Sunday falling on New Year's day, attendance was very poor. However, it was a good week for calling since most people were home (recovering?). The session met to face a revision of the 1961 budget when the canvass (1st church) failed to meet anticipated needs by \$20,000. The congregation has since met and a new canvass is under way to raise \$8,000 on a revised budget.

January seems to be a depressive month for some people in which "cabin fever" gets a grip on them. There was a high percentage of personal counselling and case work this month. The jail, with whom I work in connection with the Eskimo people, report a higher incidence also during this month, and the case load of the resident psychologist is overloaded during these months. Now if ever the gospel can make a contrasting impact on these people.

The Army seems to be getting well settled at Ft. Wainwright. Many men are working long hours, and there many coming in each day. The Housing office expects 5-10 families a day to arrive for awhile. Present figures indicate 1,429 families living on post at Ft. Wainwright and 1,160 families of both Army & Air Force (Eielson AFB) living off base. I am at last getting some leads on Air Force families who are Presbyterian, but the Army has no system of preference, which makes determination of affiliation hopeless for the present and must be done on a house to house basis. The chaplain's office has promised assistance but are swamped at present with their own program. Meanwhile, have car, will travel. So far, I have concentrated on trailer courts and low-cost apartments where servicemen of limited means are likely to secure housing. There are a lot of lonesome, unchurched people who welcome visits but do not see the church as an answer to their problems. It is causing some deep searching on my part.

At Six-Mile Village we have established a committee to consider property needs to report to Presbytery's committee of which I am chairman. So far, we have considered desirable sites and are studying the population concentrations and growth in the area from 6 Mile to North Pole encompassed by Badger Road. Our membership is fairly static at present with the addition of two new people. However, more of the men are coming.

Problem drinking is a dispairing, perrennial problem. It is not uncommon to find many of the Eskimo congregation in the bars when looking for a missing person. After six months of work among them in the city, it seems as though much of it is case work.
